NOTE FOR: Andre LeGallo  
NIO/CT

FROM: Fritz W. Ermarth  
C/NIC

I am certain that the DCI would not elect to send this package to the Vice President himself. Therefore, I suggest that you re-do your cover memo to the DCI to give him the option of simply approving its dissemination by you or me and including a memo for him to use to send to the President-elect on the off-chance that's how he would like to proceed.
